Course-type MS Supervisory Committee Memo

Date: _____

To: Associate Chair for Graduate Studies

A Course-type MS student must register for DIS (BSC 5900 Directed Individual Study) research hours as soon as the research project has been selected and begun. A minimum of 2 semesters (3 credit hours per term) satisfactory DIS research is required for the Course-type MS degree. The DIS may be either literature-based or research-based. The Supervisory Committee consists of the Director of the Course-type Master's program and the DIS research supervisor (s).

The following faculty have agreed to serve as the Supervisory Committee for

_____ (graduate student).

Major Professor / Co-Major Professor

Co-Major Professor

Director, Course-type MS Program
