

*Margaret Y. Menzel Scholarship*  
*Department of Biological Science*  
*Florida State University*

The Margaret Y. Menzel Award was established in 1988 to honor the late Dr. Margaret Menzel by providing a scholarship award to one or two advanced doctoral students in the Department of Biological Science. The award will recognize outstanding progress in their research. Recipients may use the award to attend a scientific meeting or for any other purpose that will advance their careers. The faculty submits nominations for the scholarship.
