YSP STIPEND APPLICATION

2012 Young Scholars Program
Florida State University
Tallahassee, Florida
June 12 – July 23, 2012

YSP STIPEND APPLICATION
FOR ECONOMICALLY DISADVANTAGED STUDENTS

The Young Scholars Program is funded by Florida State University. With this support, we are pleased to be able to offer positions for the 2012 program, covering fully the costs of room, board, and academic tuition for each participant. This amounts to a scholarship in the amount of $2800.00.

Still, it is likely that some outstanding Florida high-school students do not compete for admission to the program because they and their families cannot afford the additional expenses that must be borne by the participant. Those expenses include the following estimates:

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Travel to and from Tallahassee</td>
<td>$250.00</td>
</tr>
<tr>
<td>Books and academic supplies</td>
<td>$150.00</td>
</tr>
<tr>
<td><strong>TOTAL</strong></td>
<td><strong>$400.00</strong></td>
</tr>
</tbody>
</table>

To make certain that no one is precluded from participating in the Young Scholars Program because of financial need, we are pleased to announce the availability of YSP Stipends. These stipends are to be awarded to outstanding students who are selected for participation in the 2012 Young Scholars Program, and who are verified by their high schools as having SIGNIFICANT financial need.

The application for the YSP Stipend (see reverse) is to be completed by the applicant and his or her parents, then submitted to the appropriate high school guidance counselor and principal for verification by the school. The verified application should be submitted with the other application documents to the Young Scholars Program at Florida State University.
