Rules of the EXAM

The Basics
• Place all books and notes on the floor.
• Only writing materials should be on the counter space.

Getting Real
• Keep your eyes on your own paper.
• When ‘thinking’, look up, forward or at your paper – just not at your neighbor!
• No talking, whispering or sign language.

Getting Picky
• Cell phones should be turned off or on silent mode – you CANNOT answer them during the exam under any circumstances!!!!
• No food or drink allowed in this lecture hall.
• Long hair must be pulled away from your face – either tied back or tucked behind your shoulders.
• Caps must be taken off or turned around.
The Exam Itself

- Write your name and last 4 digits of your social security number on EVERY page – BEFORE you begin the exam.

- Write clearly.

- Spelling is important.

- Read & answer the questions carefully.

- No points will be given for “brain dumping!”

- If you need to ask a question please raise your hand and a proctor will come to you.

- Accept that the proctor will not tell you the answer!

- Relax!

When you are finished, please bring your exam to the front to be checked by a TA.

Good Luck!
