

FSU SATS CAMP APPLICATION FORM 2021

Dear Science Teacher,

This summer, Florida State University will be sponsoring Saturday-at-the-Sea Summer Day Camps (SATS Camp). This program introduces middle school students to experimental marine biology. These camps are funded by the Office of STEM Teaching Activities at Florida State University. Each camp will include up to 12 students with instructors and teachers. To be eligible, students must be Florida residents, able to swim and currently enrolled in 6th, 7th or 8th grade.

As a science teacher, your role is very important to this program. Please nominate five of your students. We are not just looking for your best and brightest students, but also those who need encouragement to develop enthusiasm for science. We are looking for a diverse, inquisitive group of students who will benefit from SATS Camp. You are the best judge of this so we appreciate your help!

You need to fill out a student nomination form for each student. Additionally each camp nominee needs a Student/Parent Application that must be completed by the student nominee with their parents or guardians. These forms are due back to you by **22 April 2021**. Nominees are asked to write a brief essay explaining their reasons for wanting to attend SATS Camp. Final selection will be based on the information you, the student and their family provide.

For a nomination to be considered, the entire application must be postmarked or emailed by **5 May 2021**. Our preference is email. If you mail the document, please follow up with an email so we can make sure we receive your application. Applications must be sent to one of the following:

SATS Camp
1062 King Life Sciences Bldg., FSU, 319 Stadium Drive Tallahassee, FL 32306-4295
email: wmturner@fsu.edu

If you have any questions, please contact us at wmturner@fsu.edu If you need additional forms, please visit the website: bio.fsu.edu/eeo/camp.html. Thank you very much for taking the time to help students find their way to our science camp!

Sincerely yours,

FSU SATS CAMP APPLICATION FORM 2021

Camp Goals: Saturday-at-the-Sea Camp provides positive, science-related experiences to encourage Florida students to seek further scientific instruction and scientific careers. We also hope to raise their environmental awareness as they learn more about coastal marine habitats.

- **DATES: June 21 – June 25, July 12 - 16 and July 26– 30, August 2 - 6**
- **ELIGIBILITY:**
 - o Florida residents
 - o Enrolled in the 6th, 7th, or 8th Grade
 - o Nominated by their current science teacher
 - o Swimmers
- **COST: Free**
- **DEADLINE: The entire application must be postmarked by May 5, 2021**

Camp Details: Campers will collect data, interpret their results, and present their findings to their peers, family and friends on the last day of the camp. They will become marine scientists for the week!

STUDENT NOMINATION FORM

Saturday-at-the-Sea Summer Camp 2021

Name: _____

Age: _____

The student is currently in the _____ grade.

School: _____

Has this student ever attended the one-day Saturday-at-the-Sea program?	Yes	No
Has this student ever participated in SATS Camp before?	Yes	No
Has the student participated in their school's science fair?	Yes	No

Please assign a number to students in the categories below. A score of 1 means the student has the least of the characteristic, 5 the most, and 3 in an average score for most students. Our goal is to have camps filled with compatible students who will work well together and we will use these scores to help us select students.

Dear Parent/Guardian of a Saturday-at-the-Sea Summer Camp Nominee:

Your child has been nominated by their science teacher to participate in a Saturday-at-the-Sea Summer Camp (SATS Camp). Our Camp teaches students about coastal ecosystems and stimulates their interest in marine biology. Our Camp is a fun and challenging introduction to this exciting field. These free, week-long day camps are funded by the Office of STEM Teaching Activities at the Florida State University.

Campers will work as part of a student marine biology research team studying the Gulf Coast at the Florida State University Coastal and Marine Laboratory (FSUCML). During camp week, we will explore marine habitats and conduct scientific studies. On the last day of camp, the students will present their research to you, other parents and their peers.

If your child is accepted into SATS camp you will need to provide shorts/bathing suits, old tennis shoes, and a sack lunch each day (dinner and breakfast will be provided for the overnigher). At this point we are planning for online, remote learning, and virtual camps. If we can have "in person" camps (we hope, we hope, we hope), we will notify you of the logistics. We will also require that you and your child attend an online pre-camp orientation on Saturday, May 29, from 10:00 am - 12:00 pm.

To give your child the best chance at being selected to participate, please help her/him to fill out the attached student application. Please make sure that all possible dates for participation are ranked on the application form so we can try to give you the dates that work best for you. On the back of the application form, your child must also write a short essay about why they would like to attend the SATS Camp. Return the completed application to your child's teacher as quickly as possible to ensure that the entire application packet can be returned to us on time.

Students must return the student/parent portion of the application to their nominating teacher by Thursday, 22 April, 2021.

You will be notified **VIA EMAIL** by Friday, May 14, if your child is chosen to participate. If accepted, you will receive more details regarding the camp. If you have any questions about SATS Camp please visit our website (bio.fsu.edu/eo/camp.html) or email us at wturner@fsu.edu. Hopefully, we will be meeting you and your child soon!

Sincerely,

Bill Turner
